Subject Index

Alopecia

- and short flaps—their use and abuse (Mayer and Fleming), 296
- hair autotransplant into skull—experimental study in the pig (Wexler et al), 235
- updating reduction and flap procedures for baldness (Stough and Cates), 287
- Amniotic membrane dressings, following facial dermabrasion (Kucan et al), 523
- Amputation stump, reconstruction of ray transfer and distraction lengthening (Karev), *case report*, 423
- Angiography, influence on experimental free flap survival (Walkinshaw and Caffee), 148
- Arm injuries, rehabilitation following electrical injury (Luce), *letter*, 442
- As I remember
 - British plastic surgery, 1949 to 1959 (Johnson), 166
 - Leo Bornstein (Hirshowitz), 432
 - Lyndon Peer (Rogers et al), 322
- Ask the Annals, acute burn wound care (Mahler et al), 438

- Background, medieval medical third party: compulsory consultation and malpractice insurance (Cosman), 152
- Blast injuries, plastic surgery and civilian casualties (Golan et al), 359

Blood circulation

- significance of distal arteriovenous shunting on skin flap survival (Bardach et al), 284
- territorial flooding, or perfusion takeover (Wexler), 193
- use of Doppler effect in visible laser light to assess tissue viability by capillary blood flow (Rosenberg et al), 206
- Blood preservation, and autologous transfusion (Fredricks et al), 486

- Blood transfusion, autologous, and preservation of frozen red blood cells (Fredricks et al), 486

Book critiques

- Atlas of Reconstructive Burn Surgery, by Salisbury and Bevin (Ollstein), 528
- Progress in Surgery: War Injuries of the Upper Extremity, by Engel and Kessler (Karev), 266
- Bornstein, Leo A. (Hirshowitz), *as I remember*, 432
- Bowen's disease, malignant "athlete's foot" (Brewer and Barwick), *case report*, 93

Breast

- external compression for prevention of scar capsule contracture (Caffee), 453

- retromammary versus retropectoral augmentation (Mahler and Hauben), 370

Breast neoplasms

- and rationale for immediate reconstruction of breast (Georgiade et al), 20
- reconstruction of midline anterior chest wall defect (Tsur et al), *case report*, 314
- subcutaneous mastectomy (Georgiade et al), 8

Burns

- acute burn wound care (Mahler et al), *ask the Annals*, 438
- experimental burn infliction (Molcho et al), 196
- hair autotransplant to skull for burn alopecia (Wexler et al), 235
- use of Doppler effect to assess tissue viability by capillary blood flow (Rosenberg et al), 206
- Buttocks, closure of chronic wounds using gluteal thigh flap (Hurwitz and Walton), 375

- Calcification, physiologic, of lower limbs (Peled et al), *case report*, 310

Case reports

- bilateral plantar neurotrophic ulcers treated by transmetatarsal amputation and filleting (Dvir and Kaufmann-Friedman), 250
- double lower lip (Mahler and Baruchin), 248
- epithelioid sarcoma of hand (Tsur and Lipsker), 420
- facial reconstruction in partial lipodystrophy (Hurwitz and Sarel), 253
- malignant "athlete's foot" (Brewer and Barwick), 93
- mobilization of both breasts for reconstruction of midline anterior chest wall defect (Tsur et al), 314
- "Münchhausen syndrome" in aesthetic surgery of nose (Mahler and Ginath), 258
- penile skin flap for reconstruction of scrotum in Fournier's gangrene (Goldan and Binur), 412
- reconstruction of transmetacarpal amputation by means of ray transfer and distraction lengthening (Karev), 423
- Sharplan CO₂ surgical laser in neonatal surgery (Kaplan), 426
- skin grafting denuded skull (Cabbabe et al), 318
- subcutaneous calcifications of lower limbs (Peled et al), 310
- surgical correction of ectropion in lamellar ichthyosis (Peled et al), 429
- urethral stricture following indwelling catheter in hypospadias repair (Shafir et al), 416
- Catheters, indwelling, and urethral stricture in hypospadias repair (Shafir et al), *case report*, 416

January issue, pp 1-96; February issue, pp 97-182; March issue, pp 183-268; April issue, pp 269-358; May issue, pp 359-442; June issue, pp 443-534.

- Cheek, facial reconstruction in partial lipodystrophy (Hurwitz and Sarel), *case report*, 253
- Chin
augmentation (Mahler), 468
augmentation using intraoral parallel vertical incisions (Wexler et al), 233
- Cicatrix
external compression for prevention of scar capsule contracture (Caffee), 453
of flaps and scars—animal studies old hat? (Bloomenstein), *letter*, 268
- Cleft lip
a timetable (Stark), 107
median facial dysgenesis in (Noordhoff and Cheng), 83
simultaneous repair of cleft lip and palate in infancy, ten-year follow-up (Kaplan et al), 227
team approach in orofacial management (Mason and Riski), 71
- Cleft palate
median facial dysgenesis in (Noordhoff and Cheng), 83
simultaneous repair of cleft lip and palate in infancy, ten-year follow-up (Kaplan et al), 227
team approach in orofacial management (Mason and Riski), 71
- Converse, John Marquis (Rogers), *obituary*, 342
- Coronary disease, application of latissimus dorsi muscle to the heart (Christ and Spira), 118
- Decubitus ulcer, closure of chronic wounds of perineal and sacral regions using gluteal thigh flap (Hurwitz and Walton), 375
muscle coverage of pressure points—role of myocutaneous flaps (Daniel and Faibisoff), 446
surgical methods for managing ischial pressure wounds (Scheffan), 238
- Dermabrasion, and amniotic membranes as dressings (Kucan et al), 523
- Doppler effect, use of invisible laser light to assess tissue viability by capillary blood flow (Rosenberg et al), 206
- Duke University Medical Center, commitment to excellence (Georgiade), 4
- Dyes, inexpensive inkstand for operating room (Bloomenstein et al), *gadgetry*, 181
- Ear, external, reconstruction of auricle in microtia by bipediced postauricular tubed flap (Sarig et al), 221
- Ectropion, surgical correction of (Peled et al), *case report*, 429
- Electrical injuries
preventing, in operating room (Monies-Chass et al), *over the fence*, 264
rehabilitation following (Luce), *letter*, 442
- Electrical stimulation, in treatment of the painful hand (Peled et al), *gadgetry*, 434
- Electricity, static, and suture material (Noe et al), *gadgetry*, 179
- Eyebrows
forehead-brow lift (Riefkohl), 55
foreheadplasty (Washio et al), 141
- Face, and amniotic membranes as dressings following dermabrasion (Kucan et al), 523
- Facelift. *See* Rhytidectomy
- Facial neoplasms, management of (Van der Meulen et al), 213
- Facial nerve diseases, and plication of orbicularis oris muscle (Mahler et al), 224
- Flaps
and scars—animal studies old hat? (Bloomenstein), *letter*, 268
and transcutaneous oxygen pressure (TcPO₂) measurement (Tsur et al), 510
application of the latissimus dorsi muscle to the heart (Christ and Spira), 118
bilateral gluteus maximus myocutaneous advancement (Parry and Mathes), 443
bilateral plantar neurotrophic ulcers treated by transmetatarsal amputation and filleting (Dvir and Kaufmann-Friedman), *case report*, 250
bilateral superomedial thigh flaps for reconstruction of scrotum and vulva (Hirshowitz and Peretz), 390
closure of chronic wounds of the perineal and sacral regions (Hurwitz and Walton), 375
distally based latissimus dorsi myocutaneous (Scheffan), *letter*, 267
failing, critical closing pressure and local perfusion pressure (Cutting et al), 504
for baldness (Stough and Cates), 287
free serratus anterior muscle and myocutaneous flaps (Takayanagi and Tsukie), 277
in chest wall reconstruction (Scheffan et al), 122
influence of angiography on experimental free flap survival (Walkinshaw and Caffee), 148
local (Nieto), 99
modification of the bipediced vertical dermal flap technique in reduction mammoplasty (Hirshowitz and Moscona), 363
muscle coverage of pressure points (Daniel and Faibisoff), 446
muscle flaps and the vascular detour principle (Guyuron et al), 132
penile, for reconstruction of scrotum in Fournier's gangrene (Goldan and Binur), *case report*, 412
reconstruction of auricle in microtia (Sarig et al), 221
reconstruction with vascularized composite tissue following surgery and irradiation (Serafin et al), 35
short, for male pattern baldness (Mayer and Fleming), 296
significance of distal arteriovenous shunting on skin flap survival in pigs (Bardach et al), 284

- Flaps (*continued*)
 surgical methods for managing ischial pressure wounds (Scheflan), 238
 territorial flooding in pigs (Wexler), 193
- Forehead
 forehead-brow lift (Riefkohl), 55
 foreheadplasty (Washio et al), 141
- Freezing
 and preservation of red blood cells (Fredricks et al), 486
 breast reconstruction with a cryopreserved nipple (Cucin), *case report*, 163
- Gadgetry
 electrical stimulation in treatment of the painful hand (Peled et al), 434
 improvised skin hook (Peled and Wexler), 263
 inexpensive inkstand for operating room (Bloomenstein et al), 181
 suture material and static electricity (Noe et al), 179
- Gangrene, penile skin flap for reconstruction of scrotum in Fournier's gangrene (Goldan and Binur), *case report*, 412
- Grafts
 skin grafting denuded skull (Cabbabe et al), *case report*, 318
- Graft survival
 and critical closing, local perfusion pressures (Cutting et al), 504
 influence of angiography on (Walkinshaw and Caffee), 148
 skin grafting denuded skull (Cabbabe et al), *case report*, 318
- Hair transplantation, for burn alopecia (Wexler et al), 235
- Hand
 electrical stimulation in treatment of painful hand (Peled et al), *gadgetry*, 434
 epithelioid sarcoma of (Tsur and Lipsker), *case report*, 420
- Hand injuries, electrical, rehabilitation following (Luce), *letter*, 442
- Heart aneurysm, application of latissimus dorsi muscle to heart (Christ and Spira), 118
- Hemostasis, by conjugated water-soluble estrogen in rats (Tsur et al), 387
- History of medicine, medieval, and compulsory consultation and malpractice insurance (Cosman), *background*, 152
- How I do it, correction of hypospadias, types I and II (Van der Meulen), 403
- Hypospadias
 types I and II, correction of (Van der Meulen), *how I do it*, 403
 urethral stricture following indwelling catheter in repair of (Shafir et al), *case report*, 41
- Ichthyosis, surgical correction of ectropion in (Peled et al), *case report*, 429
- Implants, artificial, and external compression for prevention of capsule contracture (Caffee), 453
- Insurance
 medieval medical third party: compulsory consultation and malpractice insurance (Cosman), *background*, 152
 Israel Society of Plastic and Reconstructive Surgery (Hirshowitz), *guest editor's introduction*, 186
- Lasers, in neonatal surgery (Kaplan), *case report*, 426
- Latissimus dorsi muscle
 application to heart (Christ and Spira), 118
 as myocutaneous flap, distally based (Scheflan), *letter*, 267
 for chest wall reconstruction (Scheflan et al), 122
- Leg, replantation (Mamakos), 305
- Leg injuries, muscle flaps and the vascular detour principle (Guyuron et al), 132
- Leg ulcers (Peled et al), *case report*, 310
- Letters
 distally based latissimus dorsi myocutaneous flap (Scheflan), 267
 Dr. Straatsma remembered (Griswold), 96
 more on macrostomia (Wilson), 96
 of flaps and scars—animal studies old hat? (Bloomenstein), 268
 rehabilitation following electrical injury (Luce), 442
 the stigma of Tagliacozzi (Baruchin), 182
- Lip
 double lower (Mahler and Baruchin), *case report*, 248
 plication of orbicularis oris muscle to repair partial paralysis of (Mahler et al), 224
- Lipodystrophy, partial, facial reconstruction in (Hurwitz and Sarel), *case report*, 253
- Macrostomia (Wilson), *letter*, 96
- Malpractice insurance, medieval (Cosman), *background*, 152
- Mammaplasty
 reduction, inferior segment technique (Labandter et al), 493
 reduction, and modification of the bipedicle vertical dermal flap (Hirshowitz and Moscona), 363
 surgical refinements in nipple-areolar complex (Carvalho and Baroudi), 458
- Mastectomy
 nipple-areola reconstruction after (Serafin and Georgiade), 29
 rationale for immediate reconstruction following (Georgiade et al), 20
 reconstruction with cryopreserved nipple (Cucin), *case report*, 163
 subcutaneous (Georgiade et al), 8

Maxillary diseases

team approach in orofacial management (Mason and Riski), 71

vertical maxillary excess (Angelillo and Dolan), 64

McIndoe, Sir Archibald, and British plastic surgery, 1949 to 1959 (Johnson), *as I remember*, 166

Melanoma, treatment of in Israel, 1960 to 1970 (Golan et al), 397

Metacarpus, reconstruction of a transmetacarpal amputation by ray transfer and distraction lengthening (Karev), *case report*, 423

Metatarsophalangeal joint, bilateral plantar neurotrophic ulcers treated by transmetatarsal amputation and filleting (Dvir and Kaufmann-Friedman), *case report*, 250

Münchhausen syndrome, in aesthetic surgery of nose (Mahler and Ginath), *case report*, 258

Neonatology, surgical laser in (Kaplan), *case report*, 426

Neoplasms, and reconstruction following surgery and irradiation (Serafin et al), 35

Neurofibromatosis

distribution of lesions and surgical treatment (Bromley et al), 272

orbitofacial, management of (Van der Meulen et al), 213

Nipples

cryopreserved, breast reconstruction with (Cucin), *case report*, 163

nipple-areolar complex, surgical refinements in (Carvalho and Baroudi), 458

reconstruction after mastectomy (Serafin and Georgiade), 29

Nose

"Münchhausen syndrome" in aesthetic surgery of (Mahler and Ginath), *case report*, 258

nasoschizis, pathology and treatment (Van der Meulen et al), 474

Obituary

John Marquis Converse (Rogers), 342

Operating rooms, and prevention of electrical accidents (Monies-Chass et al), *over the fence*, 264

Orbital neoplasms, management of (Van der Meulen et al), 213

Orthodontics, team approach to (Mason and Riski), 71

Osteotomy, lateral, through existing alar base incision (Gelb), 269

Over the fence

how can electrical accidents in the operating room be prevented? (Monies-Chass et al), 264

Oxygen, transcutaneous pressure measurement in flap surgery (Tsur et al), 510

Pain, electrical stimulation in treatment of (Peled et al), *gadgets*, 434

Patient care team

in orofacial management (Mason and Riski), 71

psychologist in a plastic surgery service (Clifford), 79

Pectoralis muscles, and chest wall reconstruction (Scheffan et al), 122

Peer, Lyndon A. (Rogers et al), *as I remember*, 322

Perineum, closure of chronic wounds using the gluteal thigh flap (Hurwitz and Walton), 375

Physician-patient relationship (Goldwyn), *editorial*, 189

Premarin, effect of in rats (Tsur et al), 387

Psychology, and the plastic surgery service (Clifford), 79

Radiation injuries

bilateral superomedial thigh flaps for primary reconstruction of scrotum and vulva (Hirshowitz and Peretz), 390

reconstruction with vascularized composite tissue (Serafin et al), 35

Replantation, lower extremity (Mamakos), 305

Rhinoplasty

lateral osteotomy through existing alar base incision (Gelb), 269

straightening the slightly deviated nose (Shulman), 229

Rhytidectomy, comparative study: Skoog versus conventional rhytidectomy (Foerster), 517

Sacrococcygeal region, and bilateral gluteus maximus myocutaneous advancement flaps (Parry and Mathes), 443

Sarcoma, epithelioid, of the hand (Tsur and Lipsker), *case report*, 420

Scalp

reduction, and flap procedures for baldness (Stough and Cates), 287

short flaps for male pattern baldness (Mayer and Fleming), 296

Scrotum

bilateral superomedial thigh flaps for primary reconstruction of (Hirshowitz and Peretz), 390

penile skin flap for reconstruction of (Goldan and Binur), *case report*, 412

Serratus anterior muscle, and myocutaneous flaps (Takayanagi and Tsukie), 277

Silicone elastomers

chin augmentation (Mahler), 468

Skull, skin grafting of (Cabbabe et al), *case report*, 318

Soleus muscle

muscle flaps and the vascular detour principle (Guyuron et al), 132

Speech therapy, in orofacial management (Mason and Riski), 71

Straatsma, Clarence (Griswold), *letter*, 96

Surgical flaps. *See* Flaps

Surgical instruments

- improvised skin hook (Peled and Wexler), *gadgetry*, 263
- inexpensive inkstand for operating room (Bloomenstein et al), *gadgetry*, 181

Sutures, and static electricity (Noe et al), *gadgetry*, 179

Tagliacozzi, Gaspare, the stigma of (Baruchin), *letter*, 182

Thoracic injuries

- and mobilization of both breasts for reconstruction of (Tsur et al), *case report*, 314
- chest wall reconstruction (Scheffan et al), 122

Thumb, reconstruction of transmetacarpal amputation by ray transfer and distraction lengthening (Karev), *case report*, 423

Tissue survival

- and distal arteriovenous shunting, in pigs (Bardach et al), 284
- and the Doppler effect (Rosenberg et al), 206

Ulcer, bilateral plantar neurotrophic, treated by transmetatarsal amputation and filleting (Dvir and Kaufmann-Friedman), *case report*, 250

Urethral stricture, following indwelling catheter in hypospadias repair (Shafir et al), *case report*, 416

Vulva, bilateral superomedial thigh flaps for primary reconstruction of (Hirshowitz and Peretz), 390

Annals of Plastic Surgery
